Major General Marshall Stubbs  
Chief Chemical Officer  
Department of the Army  
Washington 25, D. C.

Dear General Stubbs:

On 8 and 9 June, I visited Dugway Proving Grounds with members of the Agency. Colonel Armitage and his staff put on an excellent show for us with first-rate briefings and a field demonstration. The visit was most worthwhile and pleasant, and I want to thank you for extending me the invitation.

I am glad to note that members of the Chemical Corps Command and of this Agency remain in close touch on matters of mutual interest.

Sincerely,

SIGNED

C. P. Cabell  
General, USAF  
Acting Director
